

# CLC After School Ministry Registration Process

## Registration Process

Thank you for your interest in CLC's After School Ministry! We look forward to meeting your child and getting to know your family. Here's how the process works.

New to the ministry: A tentative list is in place on a first come, first served basis for children from South Hamilton Elementary ONLY. If tentative lists fill, additional inquiries will be placed on waiting lists. When registration opens in July, those on the tentative lists have the first opportunity to complete a formal registration. Any remaining openings are filled from waiting lists, if applicable.

Return from previous Year: Students attending the After School Ministry the prior 2022/2023 school year (from South Hamilton Elementary) have the first opportunity to register for the 2023/2024 school year. Any remaining openings are then filled from waiting lists.
